Hard skills

- Pack Office
 - Word
 - Excel
 - Powerpoint
 - Access
 - Publisher
- Microsoft Azure
- Amazon AWS
- VMware
- Windows
- Linux
- Active Directory
- OneDrive
- Sharepoint
- Github
- Python
- VBA
- PHP
- HTML
- CSS
- JavaScript

Languages

- English: Native level – C2
- German: Intermediate – B1
- Japanese: Beginner – A1

Soft skills

- Adaptable
- Rigorous
- Autonomous
- Curious lifelong learner
- Force of proposal
- Creativity
- Enthusiasm
- Good analytic skills
- Big picture oriented

Education

Computer Engineering degree
Sup Galilée Engineering school

09/19 – 09/21
Villetaneuse, France

Experience

Computer Systems & Networks Engineer **10/19 – today**
Engie Solutions **Lieusaint, France**

Programming macros, scripts and DLL software extensions
Optimizing production through technical improvements and new production processes
Network sizing and GIS database management

Front-end web developer **01/19 – 04/19**
kboc.t.github.io **Lieusaint, France**

Programmed Python scripts, VBA macros and C++ programs for mathematical modeling of financial products and Markdown, liquid and Ruby (Jekyll) website development

VBA programmer **08/18 – 09/18**
ASSA ABLOY Entrance Systems **Lieusaint, France**

Corrected and automated works foremen and business managers' spreadsheets updating
Designed an interactive VBA form as a means to redefine the specifications for the installation of new products
